Lessons observed	Class 4 Mathematics, Class 8 Mathematics, Class 7 Science, Class 8 English
Teachers met	Mr. Sachin Nimbalkar, Mr. Rakesh Yadav, Mr. Vishal Gawade, Mr. Rajesh Chordia

Summary of the visit

On 27 August 2026 I spent the school day at Mahavir Jaideep English Medium School. I sat in on Class 4 Mathematics, Class 8 Mathematics, Class 7 Science, Class 8 English and discussed my observations with the teachers afterwards.

Observations

In Class 4 Mathematics taught by Mr. Sachin Nimbalkar, students struggled with place value and with subtraction involving borrowing. This is a significant concern that needs sustained support.

Mr. Vishal Gawade taught the Class 7 Science lesson only from the textbook; the school's science kit was not opened for any demonstration. This is a minor area for improvement.

Mr. Rakesh Yadav organised children of Class 8 into reading pairs and kept a small reading corner, a good practice other teachers can adopt.

Next steps

I thank the Headmaster and the staff for their cooperation. I will review the progress of the agreed actions during my next visit to the school.
