Summary of the visit

This report records my visit to Shri Ganesh Vidyalaya, Ambegaon on 24 June 2026. During the visit I observed Class 7 Science, Class 8 Mathematics and went through the available school records.

Observations

Mrs. Vaishali Shinde taught the Class 7 Science lesson only from the textbook; the school's science kit was not opened for any demonstration. The CRP considers this a significant concern.

Progress records and unit-test answer sheets for Class 8 Mathematics were not maintained properly by Mrs. Sheetal Lonkar; marks had not been entered in the register. This is a minor area for improvement.

Agreed actions and follow-up

Agreed action: Conduct one demonstration from the science kit every week. Responsible: Mrs. Vaishali Shinde. To be completed by 25 July 2026.

Next steps

I thank the Headmaster and the staff for their cooperation. I will review the progress of the agreed actions during my next visit to the school.
