Summary of the visit

This report records my visit to Shri Ganesh Vidyalaya, Ambegaon on 25 August 2026. During the visit I observed Class 7 Science, Class 9 English, Class 8 Marathi, Class 9 Mathematics and went through the available school records.

Observations

Mrs. Vaishali Shinde taught the Class 7 Science lesson only from the textbook; the school's science kit was not opened for any demonstration. The CRP considers this a significant concern.

Many students in Mrs. Meena Sonawane's Class 9 English lesson copied from the board but could not write a few sentences on their own. It is a small gap that regular practice can fix.

Agreed actions and follow-up

Agreed action: Conduct one demonstration from the science kit every week. Responsible: Mrs. Vaishali Shinde. To be completed by 30 September 2026.

Agreed action: Give a daily five-sentence writing task with teacher feedback. Responsible: Mrs. Meena Sonawane. To be completed by 15 October 2026.

Next steps

I thank the Headmaster and the staff for their cooperation. I will review the progress of the agreed actions during my next visit to the school.
