Summary of the visit

On 1 September 2026 I spent the school day at ZP School, Mhasoba Wadi. I sat in on Class 3 English, Class 3 Marathi, Class 5 Mathematics, Class 7 Science and discussed my observations with the teachers afterwards.

Observations

In Mr. Balasaheb Pawar's Class 3 Marathi period, a large group of children could not decode simple words and read only with prompting. It is a small gap that regular practice can fix.

Next steps

I thank the Headmaster and the staff for their cooperation. I will review the progress of the agreed actions during my next visit to the school.
